

## Packing for your OBX Vacation

We've rented vacation homes in the OBX for years, and one of our lessons learned is to know what is provided with your vacation rental, and what you need to pack or be prepared to buy locally.

With the "Kona Breeze", we provide: All bedding, bath towels, hand towels, wash clothes and dish towels. Our housekeeping company, **Shore Details**, provides a fresh "starter" package of toilet paper and paper towels to allow you to get thru the first day or so before shopping locally.

Below is a recommended packing list. Most of this is pretty obvious but hopefully makes clearer what will be waiting for you. Fortunately, Avon has a big **Food Lion** grocery store that has everything you need to stock your refrigerator, pantry, and bathroom for your days on vacation.

### Recommended Packing/Shopping List:

Garbage bags	Toilet paper	Plastic wraps
Dish detergent	Paper towels	Shampoo
Staple items (salt, pepper, sugar, etc.)	Condiments	Paper towels
Napkins	Laundry detergent	Cooler Ice
Bath soap	Coffee/filters/K-Cups	Tea

### Some recommended "Beach" items to pack:

Sunscreen	Cooler	Beach toys
Lip Balm	Beach towels	Beach chairs
Beach umbrella	Rafts/boogie boards	Fishing gear
Insect repellent	Beverage Koozies	Sunglasses

We usually rent beach items from **Ocean Atlantic Rentals:**

We've rented kayaks, paddleboards, chairs, beach umbrellas and bikes (and they offer delivery).

There is a **pharmacy**, **Dollar Tree** and **Ace Hardware** in the same shopping center as the **Food Lion**.

For adult beverages, we use the **Food Lion** for a wide selection of beer and wine, and the **ABC Store** in Buxton (village south of Avon) for liquor.

Hatteras Realty in Avon (41156 Rt12) allows public use of their **Club Hatteras** tennis courts.
