Check-in time is 5PM. Our home will be thoroughly cleaned for your arrival with fresh linens and towels sets for each bedroom. The beds will be made for you. Please let us know if these preparations are not provided to your expectations within 24 hours of arrival via txt , email, or phone call.

DRIVING DIRECTIONS

Please use the address on the front page of this booklet in your driving directions app. Kona Breeze is located in a quiet residential area in Avon. Please be careful driving through the neighborhood as children and pets can be on the roads as there are no sidewalks once you turn off of Rt. 12. Please obey the speed limit.

INVENTORY CHECK

There will be a welcome bag upon arrival from our Shore Details' housekeeper that will include a few rolls of toilet paper, a roll of paper towels and a couple trash bags to get you started. We have a large trashcan in the kitchen that we provide the bags for. I have included a packing list at the end of this booklet to help you prepare for your stay at Kona Breeze.

DEPARTURE INFORMATION

CHECK-OUT TIME

Check-out time is strictly 10AM. We most likely have guests coming in after your stay, and allowing time for the cleaning service to be completed before their arrival requires this schedule.

When you leave, please ensure the following basic tasks are completed:

- Leave beds that were occupied un-made. Please DO NOT strip beds.
- Remove all food from the refrigerator and cabinets and wipe out refrigerator.
- Put dishes in dishwasher and start on NORMAL cycle before leaving.
- Wipe down all counter tops and table-tops.
- Remove all trash from bedrooms, bathrooms, and kitchen and leave in the trashcan under the home.
- PLEASE do not leave any trash (e.g. cans, cups) on the decks, yard or pier.
- Sweep, mop, or vacuum if there is excessive sand on the floors and decks. This is not required if not excessive.
- Set the air conditioner temperature to 78°F.
- PLEASE check for personal items (i.e. cell phone chargers).
- Lock all doors including the sliding glass doors, laundry room door and kitchen door.
- Close and lock all windows.

CLEANING

No need for you to perform a full clean! We pay a housekeeper to have the house prepared for our next guest as it was prepared for you. But is helpful if you could leave house generally tidy, particularly the kitchen, and BBQ/grill if used.

LEFTOVER SUPPLIES

Any leftover unopened non-perishable food/goods can be left at our local food bank. It is just down the street at the St. John's United Methodist Church. There is a drop off location in the parking lot.

AREA INFORMATION

Kayaking/Paddle-boarding/Kite-boarding/Windsurfing is wonderful at this location. You can launch directly from your private dock. Swimming is fun near the dock but it isn't very deep, typically about 2 to 4 feet deep. The depth will vary depending on the winds. **Be sure to wear protective footwear as there can be issues with shells/crabs/lost fishing tackle, etc.** The dock has a ladder for climbing in/out of the water. It is also just a great area to float around on rafts/tubes, etc.

PLEASE...**no jumping/diving off the dock.** It is shallow and there are pilings under the water that you may not see from above.

For beach access, you can drive/bike/walk to the Avon Fishing Pier parking lot (about 1 mile). Parking is available with access to the beach. They have outdoor showers for rinsing before you leave. There is some construction being done on the pier so parking may be limited.

Alternately, there are beach access lots to the north and south of Avon. If you have 4-wheel drive, you can purchase a permit to drive on the beach in certain areas. More information here:

www.nps.gov/caha/planyourvisit/permitsandreservations.htm

You can fish off the dock at the house. A 10-day NC fishing license is ~\$10 for ages 16 and older. Fishing license information:

OTHER DETAILS

AIR CONDITIONING

Our home has central air conditioning. You will find thermostats in the living room and upper floor hallway. Please ensure that all windows and outside doors are closed while the AC is running to ensure it operate to maximum efficiency. We ask that you not to set the temperature below 72F, which we find keeps the place as cool as the weather allows. Setting it lower risks the unit freezing up. We also find that keeping the living room curtains closed when the sun is really blazing during the late afternoon also helps with the temperature, especially if you will be away from the home during the day (don't forget the curtains in the upstairs bedroom, too). Just make sure to pull them open so you can enjoy the evening sunset!

CEILING FANS

Our home is equipped with ceiling fans in the living/dining area to help keep you cool. Each fan is operated via a switch on the wall and pull chain on the fan. The fan in the master bedroom has a remote control on the switch-plate. The remote allows you to change the setting while in bed. Please return the remote to the switch-plate holder on your departure.

TV

A vacation home's TV remote always seems to require a bit of a learning curve. By each TV there is a card describing how to navigate. We provide AT&T TV NOW live TV service (40+ channels). If ever prompted for an AT&T TV NOW sign in, please text me at 252-621-5662 for the password. There are several other common streaming service apps installed on the TVs to allow you to use your own accounts. If you login to one of those apps with your account, please logoff before departure.

BREAKAGES

We understand that sometimes accidents happen. Should you break anything please let us know - if it's minor we most likely won't charge. If it's a larger issue (e.g. the TV screen!) we would like to agree the cost with you before you leave to avoid any issues later. Thank you!

ENJOYING YOUR VACATION

BEACH/WATERSPORTS EQUIPMENT

We don't provide beach and water sports equipment with the rental to keep the price as affordable as possible. Beach gear, water sports equipment, and bikes can be rented from local places in the area. We like to use Island Cycles for our needs. They can supply kayaks, paddleboards, beach chairs, umbrellas, bikes, etc. They will deliver to the home and pick up at the end of your stay. When booking online at www.islandcycles.com use the coupon code "konabreeze" for 10% savings or call 252-995-4336.

Also, Ocean Atlantic Rentals has beach/recreation equipment and will deliver:

<https://www.oceanatlanticrentals.com>

CHAIRS / TABLES

There are tables and chairs on the upper and lower decks. Several are tied down to prevent issues during high winds. Chairs may be moved around for your convenience but we ask that they be returned to where you found them before you leave. There should be 4 Adirondack chairs on the upper deck. There should be a couple of light white plastic chairs for use on the lower deck and yard with some wooden chairs and table.

GRILL / BBQ

There is a park charcoal grill available for your use. If you use the grill, please carefully clean out the cooled ashes before you leave.

GYM

Just down the street at the traffic light for Rt12 is Raise The Bar Fitness and Gym. There are open 24 hours and offer short-term membership arrangements for island visitors. Contact information and pricing can be found on Facebook @raisethebaravon.

Ocracoke Car Ferry: You can take the ferry (it is FREE) with your car from Hatteras Village to Ocracoke. We do this occasionally (lunch or dinner and ice cream). There are shops and restaurants on Ocracoke. Allow at least 4-6 hours (or more) depending on how long you want to stay. Be aware that the wait for the ferry can be long especially if you return from Ocracoke in the evening after dinner. If you go, take some popcorn or bread to throw to the seagulls that follow the ferry.

PACKING FOR YOUR OBX VACATION

We've rented vacation homes in the OBX for years, and one of our lessons learned is to know what is provided with your vacation rental, and what you need to pack or be prepared to buy locally.

With the Kona Breeze, we provide: All bedding, bath towels, hand towels, wash clothes and dish towels. Our housekeeping company, **Shore Details**, provides a fresh "starter" package of toilet paper and paper towels to allow you to get thru the first day or so before shopping locally.

Below is a recommended packing list. Most of this is pretty obvious but hopefully makes clearer what will be waiting for you. Fortunately, Avon has a big **Food Lion** grocery store that has everything you need to stock your refrigerator, pantry, and bathroom for your days on vacation.

Recommended Packing/Shopping List:

Garbage bags	Toilet paper	Plastic wraps
Dish detergent	Paper towels	Shampoo
Dish Washer Detergent	Condiments	Paper plates
Napkins	Laundry detergent	Cooler Ice
Bath soap	Coffee/filters/K-Cups	Tea
Sponges	Dish towels	
Staples (Salt, Pepper, etc.)		

Some recommended "Beach" items to pack:

Sunscreen	Cooler	Beach toys
Lip Balm	Beach towels	Beach chairs
Beach umbrella	Rafts/boogie boards	Fishing gear
Insect repellent	Beverage Koozies	Sunglasses
Flip Flops		

There is a **pharmacy**, **Dollar Tree** and **Ace Hardware** in the same shopping center as the **Food Lion** grocery store. There is another grocery store in Buxton (about 8 miles south of Avon called Conner's. They are a locally owned family business and their service and selection is wonderful.

For adult beverages, we use the **Food Lion** for a wide selection of beer and wine, and the **ABC Store** in Buxton (village south of Avon) for liquor.
